

Wire Transfer Procedures for Members

Larch Valley Credit Union. Version 2026.2, effective June 15, 2026.

1. Cutoff times

Outgoing domestic wire requests received by 3:00 pm Eastern time on a business day are sent the same day. Requests received after 3:00 pm Eastern time are sent on the next business day.

Outgoing international wires must be requested by 1:00 pm Eastern time and are usually credited to the beneficiary bank within 2 business days.

2. Verification

Every new wire recipient is verified by a call-back to the phone number on file before the first wire is released. Wires of 10,000 dollars or more always require a call-back.

3. Recalls

A wire can be recalled only before it is released. After release we can ask the receiving bank to return the funds, but the return is not guaranteed.
