Precedent memo: Kestrel Logistics v. Amundsen

Washington County Circuit Court, decided 2023-06-14 - memo by the employment group

1. Holding

The non-compete was void because Amundsen's salary was below the statutory threshold for the year he was hired.

2. Facts

Amundsen earned 61,300 dollars as a routing analyst. The threshold that year was 100,533 dollars.

3. Firm position

We represented Amundsen. Check the salary threshold for the hire year before anything else.

4. Practice notes

Keep the dated documents from the first client call. The dates usually decide these cases.
