# Precedent memo: Summit Roofing v. Reyes

*Jackson County Circuit Court, decided 2022-02-09 - memo by the employment group*

## 1. Holding

Meal-break claims failed because the employer's records showed 30-minute breaks and the crew lead's testimony was not specific.

## 2. Facts

Reyes claimed 2 years of missed meal breaks on roofing crews.

## 3. Firm position

We represented Summit. Time records beat general testimony.

## 4. Practice notes

Keep the dated documents from the first client call. The dates usually decide these cases.
